It started in the morning, Grace, Jake, Dorothy, and Jaren were already there and Analicia was running late as usual. Well same with me but she usually came later then i did so it was only 5 minutes before the bell.

Quickly I got my breakfast and sat down, "hey Bella" Jake mumbled as he looked up from shoving his mouth with pancakes, "Sup" I replied, I looked over to Grace who was talking enthusiastically to Jaren while he tried to get another moment of sleep, then I looked at Dorothy who was reading away on her phone. While I eat the last of my breakfast the bell rings and still Analicia is nowhere to be seen, oh well i'll hear her on the announcements anyways, After I get up and throw away my food I go to my first period class with Dorothy and take my seat. I wait till the announcements start and when it does I hear the familiar voice of Analicia, it seems she made it after all.

After the announcements are done health class begins and I watch the clock while the health teacher drones on about stress before I know it, the bell rings I get up and collect my things and Dorothy follows me to English class our second period. "Mom!" I hear behind me, I look back and Analicia is walking towards me "Hey", when we get to English class all three of us sit down. Another period with teachers talking on and on and a little of analicia leaning back and snickering whenever the teacher made a small joke.

"Hi Jake what do you think we'll be playing in band today." I responded enthusiastically.

"Well I think we might work on tumbige, flight of eagles and

"JAPANESE PICTURES!" Izabella "See more of Story Wars" "I love that song maybe a bit to much."

"Yeah yeah we know how to play it." I responded enthusiastically.

Izabella just sent me a glare that could kill a man.

"How rude!" she responded with the same tone as me being sarcastic.

"Hey guys we might want to hurry up you know how Thurman gets when were not ready like we should be." Jake reminded us about mister Thurman and his bipolar temper. He is our band teach next with Mrs.Hons, all three of us set up our instrument. Grace must already be ready in the other side of the band hall.
